

1. **Communion schedule.** I have reworked the communion schedule for six-elder serving teams. Pentecost Communion (May 23) will be served by the following:

1 James Mader	4 Mary Rainey	P: D. Mason/M. Rainey
2 Mary McNamara	5 Maxine Robertson	
3 Darlene Mason	6 Bob Ridle	

2. **Middle School Conference.** Jaidon Snyder and Chandler Snyder are signed up for the Middle School Conference at Massanetta Springs June 17-20. They need to have a male chaperone with them. Without anyone else available, I have agreed to go, to be their chaperone as well as one other from another church who provided the chaperone for them last year. This raises two issues:

- The conference costs \$320. I will need some help with this, as this will drain my professional expense account significantly for this early in the year.
- The conference ends at 11:40 a.m. on Sunday, June 20. I am going to see if I can get away early so I don't have to miss worship here, but I do not know yet.

The worship issue is complicated by my schedule the next two weeks. I am planning to be away June 27 to visit Jonathan, who will be doing an internship this summer in Charleston, SC. June 27 is the only weekend my schedule matches up with Sharon to make this trip. The following Sunday, July 4, I will be at General Assembly, so I do not want to be away three weeks in a row.

3. **June meeting.** Connected with the above is a conflict that has arisen with the June meeting. I need to be in Minneapolis by early afternoon on Thursday, July 1, for General Assembly. The only way I can get there that early is to fly in the night before, June 30, on a flight that leaves Richmond at 7:10 p.m. Our meeting is scheduled for June 30. I recommend we move session and committee meetings up one week to June 23.
4. **Highland Augusta Mission Community pulpit exchange.** HAMC is going with the May 16 pulpit exchange date, with nine churches participating (out of 30). According to our earlier decision, we will not be participating.
5. **Shenandoah 2010 survey.** The working group that volunteered at the last Session meeting completed and submitted the Shenandoah 2010 survey. A copy is attached for Session's information.
