

MEMBERSHIP & OUTREACH COMMITTEE

Members of the Membership and Outreach Committee bring Fellowship and Friendship to our church family and the community. We joined with the Presbyterian Women in serving the Palm Sunday Luncheon. We held a Fellowship Party between Sunday School and Morning Worship on June 10. Light refreshments and drinks were provided for the Party. We organized a group that attended the Praise in the Park on July 24. The annual church picnic was held on August 22 at the Shiflet Pavillion. M&O provided BBQ, fried chicken, rolls, and beverages to approximately 80 members and friends. On December 1 about 20 members traveled to the Thomas Road Baptist Church in Lynchburg for the Virginia Christmas Spectacular. This was the perfect way for us to get into the Christmas mood. The production was fantastic with living Christmas trees, great music and the story of the birth of Christ.

Continuing activities included the "We Care/Get Well Soon" bouquets sent to members in the hospital, meals following funerals, the Elder Care List program, and the Visitor cards found in the pews with follow up visit. Our committee conducts the annual review of the church membership rolls and recommends to Session when members need reclassification.

We have enjoyed conducting the programs and thank each and everyone for your participation and attendance.

James Mader, William Jack and I thank other members on our committee. Betty and Trenton Casiday, Linda Fry, Bob and Lelia Lightner, Darlene Mason and Debbie Sedr whose ideas and helping hands made this year exciting and fun.
