

MEMBERSHIP & OUTREACH COMMITTEE

Members of the Membership and Outreach Committee bring friendship and fellowship to our church family and our community. We joined with the Presbyterian Women in serving the Palm Sunday Luncheon. We held a Fellowship Party between Sunday School and Morning Worship on June 15. Light refreshments and drinks were provided for the Fellowship Party. The annual church picnic was held on August 20 at the Shiflet Pavillion. Our committee provided BBQ, chicken, hot dogs, condiments, and beverages for the picnic to approximately 80 members and friends. A request to visit the White House at Christmas was sent through Congressman Goodlatte but was not approved. A program of conversation Spanish lessons which is geared to the Baja Mission trip but open to the public is planned to start in early 2009.

“Missing You” cards were sent to members who have not regularly attended church services. Christmas cards were sent to our shut-in members.

Continuing activities included the “Get Well Soon” dish gardens sent to members in the hospital, meals following funerals, the Elder Care List program, and the Visitor card program.

William Jack, James Mader, Eve Thomas and I thank the other members of our committee, Betty and Trenton Casiday, Bob and Lelia Lightner, Darlene Mason and Debbie Sedr whose ideas and helping hands have made our programs a success.

– Frank Brown, Chairperson
